

Iowa Department of Education
Project EASIER
Curriculum Coding Notes

The Curriculum Report is designed to display courses and units by Accreditation Area. PSEO courses, ELL courses, and Special Education courses are excluded from the Accreditation Area totals.

1. PSEO courses have an Accreditation Area of 0.
2. ELL level courses have a level of 8 and an Accreditation Area of 0.
3. Special Education courses have a level of 2 and an Accreditation Area of 0.
4. Entries in a student's schedule that are place-holders and do not generate any units of credit (Study Hall, Homeroom, Lunch, etc) are recommended to have an NCES Course Code of a single 0. The Accreditation Areas may be blank or 0, the Course Type may be blank or 1, and the Institution Providing the Course should be your district's 4 digit code.

Relationship of Type of Course and Institution Providing the Course

Type of Course	Institution Providing the Course
1. Regular High School Course	
2. PSEO Course	The college's 6 digit IPEDS code
3. Dual Credit through a 28e Agreement with a Community College	The college's 6 digit IPEDS code
4. HS Credit only through a 28e Agreement with a Community College	The college's 6 digit IPEDS code
5. Course offered by another school district though a 28e Agreement	The other school district's 4 digit code

If the Course Type is not 2, 3, 4, or 5, please enter 1.
